

Iraq

- Do you consider the Iraq conflict a war or occupation?
- How will you make decisions about next moves in Iraq?
- What exit strategy do you propose for Iraq?
- What do you propose to protect the Iraqi people if we pull out?
- What is your position in acceptance of refugees from Iraq, particularly those that collaborated with the coalition army?
- What are your plans for Iraq after the fighting is over? Will there be a “Marshall-like” plan to help?
- What will you do to provide medical aid for Iraqi children’s injuries? Would you support easing of any visa restrictions?

Social

- What policies or plans will you implement to alleviate hunger?
- What policies or plans will you implement to provide shelter and affordable housing?
- How committed are you to medical care (including mental health) for all citizens? How do you propose to implement and fund your plans?
- What is your position on the consistent ethic of life (Seamless Garment)?
- How do you plan to address the needs of homeless/low-income families—especially the needs of pregnant women?
- What do you propose to minimize the number of abortions?
- What process will you employ to learn the will of your constituents on social and ethical issues?
- What is your position regarding capital punishment?
- What change--if any--would you like to see in our Social Security program?
- What is your position on Universal Health Care?
- Knowing that poverty, minimum wage, and health coverage affect women who decide to have an abortion, what are your plans to help the poor in this country on those issues?

International

- What would you do, or try to do, to reign in the global arms trade? Do you have any proposals to do this?
- What is your policy regarding the elimination of torture?
- What is your position concerning a possible Israeli attack on Iran?
- What proposals do you have to support the returning military?
- How will you handle the abuses by the USA of the treatment of prisoners of Guantanamo?
- What is your position regarding the US involvement in International Criminal Court, etc?
- How do you see the UN, and our countries participation in it, changing or developing?
- How firmly are you committed to the UN and its Universal Declaration of Human Rights?
- Under what circumstances, if any, do you feel the US should engage in a pre-emptive strike?
- What roles and responsibilities should the U.S. Peace Institute play in the future?
- How would you propose to continue funding military action overseas?
- Are you going to change your positions between now and the election?
- How do you feel about a draft?
- How do you control the export of technology which could be used against the U.S.?
- What should be our policies in regards to Zimbabwe, Darfur and other African nations?
